Security Answer:

Please note that all My Benefits Coverage™ accounts are paperless by default. This means that you will not receive paper copies of most correspondence and other documents (such as claim explanation of benefits, etc). Instead, you will receive email notifications informing you that these documents are now available electronically via your account. If you would prefer to receive physical copies of all correspondence and documents, you may opt out of the paperless option after logging into your account, under Account Settings.

Please note that some Items may be required by state or federal regulations to be sent through the mail and will not be sent via electronic notification.

The screenshot shows the Hometown Health website interface. At the top left is the logo "Hometown Health" with a red heart icon. To the right of the logo are navigation links: "Find a Doctor", "Member Support", "For Providers", "For Brokers", and "Health and Wellness". A search bar with a magnifying glass icon is located to the right of these links. Below the navigation links are three menu items: "HOME", "MY ACCOUNT", and "ADDITIONAL LINKS", each with a downward-pointing chevron. In the top right corner, there is a "Login" link and a security icon with the text "This site is secure". The main content area is titled "Benefits Coverage" on the left. Centered in the main area is a "Thank you!" message. The message reads: "Thank you for registering with My Benefits Coverage™, your account is now active." Below this, it says: "Please Login using the username and password you have created to begin using the site." The bottom of the page features a solid dark red horizontal bar.
