# Welcome to Hometown Health 2022 OTC Benefits

Dear Hometown Health Member,

By enrolling in Hometown Health, you receive a **quarterly benefit** to spend on Over-the-Counter (OTC) products that are included in this catalog. Your OTC Benefit allows you to purchase items such as cold and cough medicines, incontinence products, vitamins, dental care, and much more. Items ordered from this catalog will be shipped directly to your home, **at no cost to you!**

## What is covered with your OTC benefit?

**Eligible items** include OTC remedies or medicines to alleviate or treat illness or injury, such as dental care items, eye and ear care items, and incontinence supplies (adult diapers). These items do not require a prescription from a health care provider.

**Dual-purpose items** are items that may serve more than one purpose. These items are sometimes used to alleviate or treat a medical condition or they may be used to promote general health and well-being. These items do not require a prescription from your provider to purchase; however, we strongly recommend that you discuss these items with your provider prior to ordering or using. For your convenience, we have identified these categories throughout the catalog.

Your quarterly benefit can be used anytime during the quarter to order OTC items from this catalog. You cannot spend out-of-pocket beyond your benefit allowance and any unused benefit is forfeited at the end of each quarter. In addition, any out-of-pocket OTC items purchased by you will not be eligible for reimbursement from the benefit plan or Fieldtex Products Inc. If mailing your order form, be sure to allow seven days for your order to reach us.
