## SECTION 1 Changes to Benefits & Costs for Next Year

### Section 1.1 Changes to the Monthly Plan Premium

	2025 (this year)	2026 (next year)
<b>Monthly plan premium</b>  (You must also continue to pay your Medicare Part B premium unless it's paid for you by Medicaid.)	\$21.30	\$9.50
<b>Part B premium reduction</b>  This amount will be deducted from your Part B premium. This means you'll pay less for Part B.	\$0	\$0

### Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out of pocket for the year. This limit is called the maximum out-of-pocket amount. Once you've paid this amount, you generally pay nothing for covered Part A and Part B services for the rest of the calendar year.

	2025 (this year)	2026 (next year)
<b>Maximum out-of-pocket amount</b>  Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum. If you are eligible for Medicaid help with Part A and Part B copayments, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.	\$8,300	<b>\$8,300</b>  <b>Once you've paid \$8,300 out of pocket for covered Part A and Part B services, you'll pay nothing for your covered Part A and Part B services for the rest of the calendar year.</b>

	2025 (this year)	2026 (next year)
Your costs for covered medical services (such as copayments and deductibles) <b>count</b> toward your maximum out-of-pocket amount. Our plan premium and your costs for prescription drugs <b>don't count</b> toward your maximum out-of-pocket amount.		

### Section 1.3 Changes to the Provider Network

Our network of providers has changed for next year. Review the 2026 *Provider Directory* [www.seniorcareplus.com](http://www.seniorcareplus.com) to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network. Here's how to get an updated *Provider Directory*:

- Call Customer Service at 1-888-775-7003 (TTY users call 711) to get current provider information or to ask us to mail you a *Provider Directory*.

If a mid-year change in our providers affects you, call Customer Service at 1-888-775-7003 (TTY users call 711) for help. For more information on your rights when a network provider leaves our plan, go to Chapter 3, Section 2.3 of your *Evidence of Coverage*.

### Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

Our network of pharmacies has changed for next year. Review the 2026 *Pharmacy Directory* [www.seniorcareplus.com](http://www.seniorcareplus.com) to see which pharmacies are in our network. Here's how to get an updated *Pharmacy Directory*:

## Section 1.6 Changes to Part D Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a formulary or Drug List. A copy of our Drug List is provided electronically. The Drug List includes many—but not all—of the drugs that we’ll cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Customer Service at 1-888-775-7003 (TTY users call 711) or visiting our website at ([www.seniorcareplus.com](http://www.seniorcareplus.com)).

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs, or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you’re taking, we’ll send you a notice about the change.

If you’re affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your Evidence of Coverage and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. Call Customer Service at 1-888-775-7003 (TTY users call 711) for more information.

Starting in 2026, we may immediately remove brand name drugs or original biological products on our Drug List if, we replace them with new generics or certain biosimilar versions of the brand name drug or original biological product on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding a new version, we can decide to

keep the brand name drug or original biological product on our Drug List but immediately move it to a different cost-sharing tier or add new restrictions or both.

For example: if you take a brand name drug or biological product that's being replaced by a generic or biosimilar version, you may not get notice of the change 30 days in advance, or before you get a month's supply of the brand name drug or biological product. You might get information on the specific change after the change is already made.

Some of these drug types may be new to you. For definitions of drug types, go to Chapter 12 of your *Evidence of Coverage*. The Food and Drug Administration (FDA) also provides consumer information on drugs. Go to the FDA website: [www.FDA.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients](https://www.fda.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients). You can also call Customer Service at 1-888-775-7003 (TTY users call 711) or ask your health care provider, prescriber, or pharmacist for more information.

## **Section 1.7 Changes to Prescription Drug Benefits & Costs**

### **Do you get Extra Help to pay for your drug coverage costs?**

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D drugs may not apply to you.** We sent you a separate material, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*, which tells about your drug costs. If you get Extra Help and you don't get this material by 9/30, call Customer Service at 1-888-775-7003 (TTY users call 711) and ask for the *LIS Rider*.

### **Drug Payment Stages**

There are 3 **drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- **Stage 1: Yearly Deductible**

We have no deductible, so this payment stage doesn't apply to you.

- **Stage 2: Initial Coverage**

In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date Out-of-Pocket costs reach \$2,100.

- **Stage 3: Catastrophic Coverage**

This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program don't count toward out-of-pocket costs.

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

The table shows your cost per prescription during this stage.

	2025 (this year)	2026 (next year)
<b>Yearly Deductible</b>	Because we have no deductible, this payment stage doesn't apply to you.	<b>Because we have no deductible, this payment stage doesn't apply to you.</b>

### **Drug Costs in Stage 2: Initial Coverage**

The table shows your cost per prescription for a one-month supply filled at a network pharmacy with standard cost sharing.

Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs, go to Chapter 6 of your *Evidence of Coverage*.

Once you've paid \$2,100 out of pocket for covered Part D drugs, you'll move to the next stage (the Catastrophic Coverage Stage).

You	<b>If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.</b>

	2025 (this year)	2026 (next year)
	may be participating in this payment option.	<b>To learn more about this payment option, call us at 775-982-3112 or 888-775-7003 (TTY users call 711) or visit <a href="http://www.Medicare.gov">www.Medicare.gov</a>.</b>

## SECTION 3 How to Change Plans

**To stay in Senior Care Plus Extensive Duals Plan, you don't need to do anything.** Unless you sign up for a different plan or change to Original Medicare by December 7, you'll automatically be enrolled in our Senior Care Plus Extensive Duals Plan.

If you want to change plans for 2026, follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You'll be automatically disenrolled from Senior Care Plus Extensive Duals Plan.
- **To change to Original Medicare with Medicare drug coverage,** enroll in the new Medicare drug plan. You'll be automatically disenrolled from Senior Care Plus Extensive Duals Plan.
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll or visit our website to disenroll online at [www.seniorcareplus.com](http://www.seniorcareplus.com). Call Customer Service at 1-888-775-7003 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 5).
- **To learn more about Original Medicare and the different types of Medicare plans,** visit [www.Medicare.gov](http://www.Medicare.gov), check the *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program (go to Section 5), or call 1-800-MEDICARE (1-800-633-4227).

### Section 3.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug

coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2026.

### **Section 3.2 Are there other times of the year to make a change?**

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

Because you have Medicaid, you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare *with* a separate Medicare prescription drug plan,
- Original Medicare *without* a separate Medicare prescription drug plan (If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

## **SECTION 4 Get Help Paying for Prescription Drugs**

---

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week.

To get the phone number for your state, visit [shiphelp.org](http://shiphelp.org), or call 1-800-MEDICARE.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option **This payment option might help you manage your expenses, but it doesn’t save you money or lower your drug costs.**

Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate the Medicare Prescription Payment Plan, regardless of income level. To learn more about this payment option, call us at 1-888-775-7003 (TTY users call 711) or visit [www.Medicare.gov](http://www.Medicare.gov).
